PLYMOUTH PLANT OF SPRAGUE ELECTRIC CO.

YEAR ENDING

DECEMBER 31, 1961

SPRAGUE ELECTRIC COMPANY
Plymouth, New Hampshire

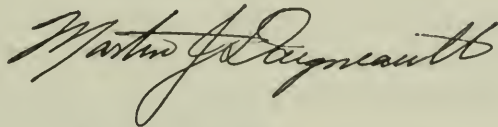

January 26, 1962

The Sprague Electric Company is pleased to have contributed to making the Baker-Pemi Industrial Development Corporation's program "Operation Bootstrap" a success. The Company is justly proud of its new facility in the Ward Hill area of Plymouth and of the fine people who have come to work for it. The Plymouth area's program to spark an industrial revival in the Baker-Pemi River Valley is a tribute to the perseverance of its people and Sprague Electric will continue to do its utmost to help the dream become a reality.

In looking for a plant site about an hour from the Concord plant, the Plymouth area's natural pleasantness and attractiveness could not be overlooked. The higher educational facilities close at hand, along with the cooperative and friendly nature of the Baker-Pemi officials, helped make the decision. A readily available supply of good potential employees was a prime requisite, and the Industrial Development Corporation's survey made in September, 1960, showed they were there to be utilized as needed.

Sprague Electric has operated in New Hampshire since 1948 when it started its operation at Nashua. In 1956 the Concord plant was opened and has grown rapidly. Both plants each have about 1,000 employees. Since the Plymouth plant was opened, employment has risen steadily until presently it is just over 200.

The Company looks forward to continuing the fine relationships it has established with the people of the Baker-Pemi River Valley.

Plant Manager

REPORT OF THE PARK AND RECREATION COMMISSION

To the Selectmen and Citizens of Plymouth:

Fox Pond Park is now completing its first year of service to the youth and adults of the town of Plymouth. It has been a successful year, gratifying to those who have given years of service in bringing it about, and perhaps surprising to those who were skeptical of the whole project.

Beginning on July 2 and continuing through the month of August, both swimming and picnicking have been enjoyed. Records show that more than 5,000 "swims" were registered by Leonard Robbins, life guard. No record was made of the number of persons or families taking advantage of the facilities provided for picnicking. It is the plan of the Commission to expand these facilities and to brush out a larger area of the park this Spring.

The \$5,000 voted by the town for developing the pond was spent on that project. However this sum was insufficient and without the help of the Park and Recreation Association and the corps of loyal and enthusiastic women led by Mrs. Guy Speare and Mrs. Robert Wherland the youth of Plymouth would not have enjoyed those 5,000 swims. The fund drive realized an immediate \$6,892 with several pledges continuing for this year and next. Sale of silt dredged from Fox Pond added the sum of \$539.50.

It is the hope of the Commission to employ two life guards this Summer in order that the pond can be open seven days a week under supervision and that more time be given to instruction in swimming. A bath house is the next major project.

The books of the Commission, having been audited and found in order, show a balance of \$263.19.

The Commission consists of the following members: Harold D. Trojano, chairman, 1963; Alida Buckland, vice chairman, 1963; Rosamund Orr, clerk and treasurer, 1964; Edward Desmond, 1964, and Bernard Smith, 1962.

Respectfully submitted,

ROSAMUND S. ORR,

Clerk

PLYMOUTH PUBLIC LIBRARY

PLYMOUTH, N. H.

ANNUAL REPORT 1961

To the Trustees of the Plymouth Public Library:

Our new card catalog continued to be our major effort this year. Nineteen volunteer helpers have given about 470 hours of work toward the completion of this project, which we hope will be accomplished in 1962. The adult histories, biographies and travel books, as well as the juvenile non-fiction, remain to be processed. We are indeed grateful to the nineteen friends who have so cheerfully assisted us. Mrs. Hopkins of the State Library was with us two days to advise and encourage.

Two second grades and a fifth grade visited us for short talks about the library. The eighth grade came in four sections to practice using the catalog and to learn the location of the different collections which they will be using for research work in high school.

The librarian gave a book talk for the Friendly Service Club and displayed for them a collection of our books which are on the Congregational Church Reading List. She also attended the annual meeting of the N. H. Library Association at Conway. The chairman of our book selection committee, Mrs. Fiore, attended a neighborhood meeting in Ashland on the subject of fiction.

Our library assistant, Barbara Nims, attended the State Library sponsored Summer school at the University of New Hampshire for three weeks in July. She took a course called "Introduction to the Public Library" and one on elementary cataloging. She plans to continue taking these Summer courses until she has finished the eight required for a certificate.

Miss Nims also attended a story-telling course of four sessions sponsored by the State Library and led by Siri Andrews.

Elizabeth Martin, a high school junior, has given us about one hundred and thirty hours, assisting with many of our activities, especially at vacation time and on Saturdays. We appreciate her generosity and efficiency.

Respectfully submitted,

ALICE B. DICKINSON,
Librarian

AUDITORS' REPORT

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Treasurer of the Library Trustees and Justice of the Municipal Court.

The records of individual receipts and expenditures were found to be correctly cast and properly vouched.

We have verified cash balances and reconciled bank statements for such of the above officials who have town business accounts.

We have examined the securities in the Trust Funds.

We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, Road Agent, Chief of Police and Secretary.

Office of Selectmen
Plymouth, N. H.

Dear Sirs:

The following is a report of the activities conducted by the Bureau of Public Health Nursing of the N. H. Department of Health, for the Town of Plymouth for the year 1961. Please have printed in your town report.

A Sterneedle Tuberculosis Testing program was conducted in the schools at Plymouth on March 3, 1961, at the request of the School Department and School Physician. Dr. William Prince of the N. H. Department of Health gave the tests. He was assisted by the School Physician, School Nurse and local registered nurses. Mrs. Lois Reed, R.N., Public Health Nurse of the N. H. Department of Health, was in charge of the program. A total of 727 children received the tests, these included grades from kindergarten through high school, the teachers and school personnel. A total of 27 reactors were found when the tests were read. These were all contacted and were advised to have chest x-rays. The families of the reactors were contacted and a large percent were either tested or they received chest x-rays by their own physician or at the Chest Clinic. The ones who attended clinics for x-rays have had rechecks in six months as advised. The response to the follow-up of family groups and contacts was excellent.

Two Chest X-ray Clinics were held at I. O. O. F. Hall on April 7 and November 10th. These were conducted by the N. H. Tuberculosis & Health Association and the N. H. Department of Health. Dr. Robert Kerr and Mr. Alden were present from the N. H. Tuberculosis Association to give examinations and x-rays. The Department of Health Nurse was assisted at the clinics by members of the Durand-Haley Amer-

ican Legion Auxiliary and the Belknap-Merrimack Salon 8/40 members. The attendance at these clinics were April 7 — 107 and November clinic 58. These included residents from Plymouth and surrounding towns. The Chest X-ray Clinics are held in the town twice during the year, Spring and Fall, and anyone is welcome to attend. Notices of the clinics are sent to all physicians and school nurses in the area and to patients due to return.

Follow-up reports are sent to the patients or referring physicians and home follow-up visits made by the nurse if necessary.

Home visits have been made in the town on babies and pre-school children. Arrangements have been made for children to attend Cripple Children's Clinics, Cardiac Diagnostic Clinics, Mental Hygiene or others as necessary and follow-up visits have been made to these families. Applications and assistance have also been given to families under the N. H. Sight Conservation Program.

The Public Health Nurse co-operated with the Plymouth Firemen's Christmas Toy Project and with the Community Closet at Thanksgiving and Christmas. She also attended meetings of the Plymouth Chapter for Retarded Children. Other families were referred to various agencies as necessary for assistance.

My sincerest thanks to all who have assisted in any way in the program for the benefit of the people of Plymouth and surrounding towns.

Respectfully submitted,

PLYMOUTH CHAMBER OF COMMERCE

INFORMATION BOOTH REPORT

Board of Selectmen
Plymouth, New Hampshire

Gentlemen:

The Information Booth was open from Saturday, July 1st through Sunday, September 3, 1961, from 9:00 A. M. to 6:00 P. M. on weekdays and 1:00 to 5:00 P. M. on Sundays.

A total of 5,845 cars containing 18,892 people was served by Miss Hazel Downing, the veteran attendant.

This was an increase of 15% in the number of cars and 18% in the number of people over the 1960 season.

Cars were recorded from every state in the Union including Hawaii and Alaska with the exception of Montana, North and South Dakota and Wyoming, and from five Canadian provinces. There were visitors from Israel, England, Scotland, Puerto Rico, Brazil, Australia and France.

The Chamber of Commerce thanks the taxpayers of Plymouth for their support of the booth. It is felt that this service to tourists stopping in and passing through our town is very inexpensive advertising which cannot be measured in dollars.

All of the appropriation was expended for the salary of the attendant.

Plymouth Chamber of Commerce
by Clarence H. Jones, Secretary

CIVIL DEFENSE REPORT, PLYMOUTH, N. H.

Gentlemen:

During the past year many changes have occurred as a part of the Civil Defense Program. Last August the Secretary of Defense assumed the responsibility for the Federal Civil Defense program. The President of The United States has placed more emphasis on the achievements which should be accomplished and has directed that more effort be made toward developing a better program. In his "State of the Union" message, he asked that Congress provide more funds to accomplish these ends.

In Plymouth, as a result of the crisis in Berlin and for other reasons, more people have given evidence that they are becoming aware of the necessity for concerning themselves. However, a great deal needs to be done if this area is to consider seriously the problems involved and take steps to do something about them.

Within a few weeks the town is to be surveyed by the federal government with the co-operation of the state and local organizations. This survey is for the purpose of determining the available fallout shelters and identifying them. This is a part of a national shelter survey. Those shelters which are available in this area will be equipped with the necessary materials for survival for a predetermined period of time. This program is concerned only with community type shelters, not the family shelter. We hope that property owners, when approached, will co-operate with the persons making the survey.

For the coming year the budget includes the following items:

Expense allowance of C. D. Director	\$	50.00
For equipment for Identification of Members, Auxiliary Police, etc.		50.00
Radio Link with N. H. State Police, Matching Fund		375.00
Survey Expenses		50.00
		<hr/>
	\$	525.00

A very interesting booklet called "Fallout Protection" is available for anyone who is interested at the local post office. If any are left they will be given out at the town meeting as far as they go.

AIRPORT

This year through the generosity of one of our flying visitors and the co-operation of the Selectmen, we were able to paint the hanger. This building has been put into top shape and is a distinct asset to the airport. If we are to protect our investment we must continue to take care of what we have. This involves the spending of money but the airport serves a definite need of the community and is used by both recreational and business visitors to Plymouth and the surrounding area.

During the months when the airport is open we have more traffic than is generally realized. Although we have no aircraft based at the airport the sign-in sheet shows that many aircraft use the airport during the week and on week ends. Since not all pilots bother to sign in we can assume that more planes visit than show on the sheets. Each year more businesses buy aircraft to get from one place to another. Several times this past year business planes were tied down at the airport.

Over the years improvements have been made which bring us an increasing number of visitors. With the development of faster craft we must continue to improve. The Chamber of Commerce is presently investigating the possibility of using state funds on a matching basis to assist in the maintenance of the present facilities.

We have not spent much money during the past few years for the airport and this year it is recommended that some money be set aside to make necessary and needed repairs.

THOMAS F. GOULART,

Airport Manager

REPORT OF THE BOARD OF ADJUSTMENT

To the Selectmen of the Town of Plymouth:

The Plymouth Board of Adjustment was organized on October 5, 1961, at an organizational meeting at the Court House. Miss Mary Louise Hancock, a member of the State Planning and Development Commission, explained the duties of the Board and gave us much helpful advice. The Board adopted By-Laws, providing for regular meetings at 7:30 P. M. on the first Wednesday of each month, and elected Leonard S. Sawyer as chairman and Philip Tapply as clerk.

The sole power of the Board is to hear and determine applications for variance from the terms of the zoning ordinance. To date, four applications have been filed, one of which was granted, one denied, and two are now pending. Several other persons were advised that they did not need variances, since the projects they had in mind were in conformance with the ordinance.

It should be borne in mind that the Board of Adjustment cannot amend any provision of the zoning ordinance. It cannot change a residential district into a commercial one, or vice versa. This power belongs to the voters at a regular or special meeting. It can grant a variance when the following conditions are met. (1) That to deny the request would impose an undue hardship on the petitioner; (2) that to grant the request will not adversely affect property values in the area; (3) that the spirit and intent of the zoning ordinance will be upheld; (4) that to deny the re-

quest would interfere with the proper enjoyment of the premises by the owner. For the protection of persons aggrieved by a decision of the Board, the law gives them the right to appeal to the Superior Court, within thirty days after the decision.

The members of the Board wish to thank the Selectmen for the trust they have placed in us, and for all the co-operation we have received.

Respectfully submitted,

LEONARD S. SAWYER,

Chairman

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

1961 Fire Record

Number of fires 3 Spot Fires

Number of Permits Issued 96

Number of acres burned—Less than $\frac{1}{4}$ acre.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of Plymouth Village Fire District qualified to vote in District Affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium on Thursday, the 15th day of March next, at 7:30 o'clock in the afternoon to act on the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Treasurer for the ensuing year.

Article 4. To choose one District Commissioner for the ensuing three years.

Article 5. To choose Auditors for the ensuing year.

Article 6. To see what sum of money the District will vote to raise for fire apparatus, supplies, care of fire alarm system, pay of firemen and other necessary expenses of said District for the ensuing year.

Article 7. To see what sum of money the District will vote to raise for fire protection for the ensuing year.

Article 8. To see what sum of money the District will vote to raise for sewer purposes for the ensuing year.

Article 9. To see if the District will vote to raise and appropriate a sum not to exceed Twenty-five Thousand Dollars (\$25,000.00) for the purpose of installing and equipping a new gravel packed well for the District water system, and in order to provide such funds, to authorize the District Commissioners to borrow the amount voted and to issue serial notes in the name and on the credit of the District, and to

fix the time and place of payment, the rate of interest, terms, maturities, and provide for the sale thereof, all in accordance with New Hampshire Revised Statutes Annotated Chapter 33 as amended.

Article 10. To see if the District will vote to authorize the Commissioners to borrow the sum of Twenty Thousand Dollars (\$20,000.00) from the Housing and Home Finance Agency of the United States Government for final plan preparation for sewage disposal requirements of the District, including treatment facilities, and to authorize the Commissioners to file, in behalf of the District, an application (in form and manner required by said Housing and Home Finance Agency under the provisions of Public Law 560, 83rd Congress) and to do whatever else may be required in order to obtain said loan, including the expenditures of such sums as may be incidental to said application.

Article 11. To see if the District will authorize the Commissioners to investigate the building and location of a new fire station, as well as the disposition of the present fire station, and to call a special emergency District meeting in form and manner prescribed by law for the purpose of consideration and authorization to build the new fire station, including the authorization to borrow or raise such sum as may be required.

Article 12. To see if the District will vote to authorize and instruct the Representatives to the 1963 New Hampshire Legislature from the Town of Plymouth to propose such special legislation as may be required to allow the Plymouth Village Fire District to establish a sewer rental and/or assessment system of charges to users upon the presently existing sewage system in said District.

Article 13. To see if the District will vote to authorize the Commissioners to borrow such sums of money as may be necessary to pay debts of the District and to give notes therefor, countersigned by the District Treasurer.

Article 14. To transact any other business that may legally come before the said meeting.

Given under our hands and seals this 21st day of February in the year of our Lord nineteen hundred and sixty-two.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Plymouth qualified to vote in district affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in said district on the eighth (8th) day of March 1962, at 8:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the District will raise and appropriate the sum of Three Hundred Twenty-Four Thousand one Hundred Fifty-Four Dollars and Sixty-Four Cents (\$324,154.64) for the support of schools and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from

the state foundation aid fund together with other income; the School Board to certify to the selectmen the balance between the estimated revenue and the appropriation, which leaves an estimated balance of Two Hundred Nineteen Thousand Two Hundred Seventy-Three Dollars and Sixty-Two Cents (\$219,273.62) to be raised by taxes by the town.

9. To see if the District will raise and appropriate the sum of One Thousand, Eight Hundred Fifty Dollars and Twenty-Four Cents (\$1,850.24) to be paid to the town of Plymouth in repayment for sums expended by the Town in removing ledge at the site of the vocational school building. (This vote required by N. H. State Tax Commission)

10. To see if the School District will authorize the School Board to appoint a committee of three persons, including one member of the Board of Selectmen to work with the School Board in investigating the participation of the Plymouth School District in a cooperative secondary school district and to report their findings at a special meeting to be called for the purpose.

11. To see if the School District will raise and appropriate a sum not to exceed One Thousand Five Hundred Dollars (\$1,500.00) to be expended by the School Board in investigating participation of the Plymouth School District in a cooperative secondary school district including, but not limited to, obtaining an appraisal of the present school plant and acquiring a first refusal option on a proposed site.

12. To see if the School District will vote to raise and appropriate the sum of Four Thousand Four Hundred Fifteen Dollars (\$4,415.00) for the salary of an extra teacher required under the presently existing contract between the School District and the State Board of Education, which salary was not included in

the 1961-62 appropriation for teachers' salaries and to authorize the Selectmen to pay over said sum to the School Board prior to June 30, 1962.

13. To transact any further business which may legally come before this meeting.

Given under our hands at said Plymouth this 15th day of February, 1962.

SUPERINTENDENT'S REPORT

Hereby submitted is my annual report as your Superintendent of Schools.

Since my last report there have been a number of changes in both physical facilities and teaching staff. We are all very grateful for the bond issue voted by the District that allowed us to place oil-fired heat at the high school and Speare school as well as adding much needed locker room space for both boys and girls. With this added space we will now be able to offer a much improved Physical Education program.

Several new teachers were added to our staff for the 1961-1962 school year. Mrs. Esther Van Vliet, a Home Economics teacher, came from Massachusetts to replace Mrs. Harding, who retired. Mrs. Ruth Noseworthy, in the English Department, who had been teaching in Bristol, filled the vacancy created by Mr. Bump's resignation. Donald Sargent, a recent graduate of Plymouth Teachers College, with a major in Science, is filling a new position in this department. He previously taught in Raymond, New Hampshire. When Mr. Theodosatos resigned to take a position in New York, Mr. Clarence Pelkie, a graduate of Springfield College, accepted the position as Director of Physical Education and Coach of football and basketball. Mr. Pelkie had taught previously at Mitchell Junior College in Connecticut. Bruce Ryan asked for a year's leave of absence to do graduate study in Florida and Mr. Charles Bears, a 1961 graduate of Husson College in Bangor, Maine, was employed to replace him. We are hopeful that he will remain with us and Mr. Ryan will return as full-time Guidance Director for Plymouth High School next year. We were all very sorry when Miss Lucille Serpico became ill early in the Fall and to later discover she would not be able to return with us. We were fortunate, however, in securing Mrs. Ruth Wells of Bristol as a replacement to finish her contract. These new teachers and all the others on our

staff are working out most satisfactorily and the Administration is more than satisfied with their performances.

We are beginning to improve our Physical Education by adding major pieces of equipment that are so necessary in the physical development of boys and girls. We invite you at any time to visit this or any other part of our program to observe our progress. I am hopeful that before another year, we may be able to have a Sports Night for the Home-Schools group to show the changes and developments in this area.

For some time there has been need of a full-time Guidance Director in our school but this is the first year the School Board and Administration have requested one. It is recommended that a full-time Guidance Director be provided for approximately every three hundred pupils and our present enrollment numbers nearly six hundred in grades seven through twelve. Thus it can be seen a definite need does exist. Some of the duties performed by a full-time Guidance person would be to take complete charge of our entire testing program in grades seven through twelve; evaluate the results; counsel boys and girls on course placement, on occupational information; and to hold individual interviews frequently with students who were failing or who seem to need more information and guidance as to where they should go and what they should do after high school. Other important areas where a Guidance Director would also work would be in that of job information; follow-up studies on graduates as well as knowledge and materials on scholarships available for all our pupils. These are only a few of the duties of a Guidance Director but I think it points up a fact that this is needed in our school.

The increases in the Plymouth school budget for next year have been expenditures largely beyond the control of the School Board. The elementary tuition to the Teachers College increased approximately seven thousand dollars (\$7,000.00) and the salary of an ele-

mentary teacher which had to be furnished in accordance with the terms of the contract with the State, amounted to \$4,656. These two items plus an added ten thousand dollar bond issue payment with interest would account in most part for the increase.

As many of you know, there has been a good deal of discussion and several meetings of your School Board and Boards of surrounding districts concerning a Regional High School in this area. A good deal of progress has been made and we are asking for a committee of three people, including one Selectman, to be appointed at this School District meeting. This committee is to work with the School Board in arriving at a wise decision for the District. If anything comes of this study, we would hope to build a fine new high school that would house approximately one thousand pupils grades seven through twelve. This would provide in addition to wider curriculum offerings and a new physical plant with adjacent areas for athletics and parking, a strong incentive toward attracting industry. You will be hearing much more about this in the weeks ahead and we are hopeful that a vote might be taken before Summer to see if Plymouth wishes to become a part of such a venture. I am sure the School Board and myself consider this a wise move, and you can be assured that much more information on costs and other features will be available to you before you are asked to consider it at a meeting.

Do not hesitate to ask me about this or any other questions concerning the education of your children and please feel free to contact me at any time.

Respectfully submitted,

M. WAYNE BOWIE

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent of schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1960-1961 received a salary of \$8,050 which was made up as follows: \$3,750 paid from the per capita tax and \$4,300 prorated among the several school districts. Allowance of \$1,200 for travel within the union was also prorated as stated above.

The table shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 797.65	\$ 222.60
Dorchester	30.10	8.40
Plymouth	1,636.15	456.60
Rumney	612.75	171.00
Thornton	399.90	111.60
Wentworth	191.35	53.40
Woodstock	632.10	176.40
	<hr/>	<hr/>
	\$ 4,300.00	\$ 1,200.00

Superintendent's salary for 1960-61 based on the above figure is reconciled as follows: \$3,750 paid from State per capita tax plus \$4,300 paid by various districts, equals \$8,050 Superintendent's basic salary.

M. WAYNE BOWIE,
Superintendent of Schools

PLYMOUTH HIGH SCHOOL PRINCIPAL'S ANNUAL REPORT

I hereby submit my tenth annual report as principal of Plymouth High School.

Five new teachers have come to our school this year. Four were replacements, and one was an added teacher due to increased enrollment.

The new language laboratory has increased the interest in French for our students, and we hope to add six more units to help take care of the increased enrollment.

The two rooms added during the Summer are excellent, but they will not take care of the increased enrollment for more than two or three years. Our present enrollment is 390.

The anticipated enrollment for the next four years is as follows:

1962-63	100-105
1963-64	115-120
1964-65	115-120
1965-66	110-115

I feel the new industry that has arrived and any future industry that may settle here could change the above figures drastically.

Several of our recent graduates are now working at Spragues, and four 1961 graduates are in their clerical department.

Graduates of 1961

SCHOOL NURSE'S REPORT

The following is a report of the Plymouth school health program for the year 1961.

Dr. McIver, school physician, completed physical examinations for 355 pupils, including 30 pre-school children, seen on registration day in May.

Defects found	Corrections
Teeth 108	46
Tonsils 23	12
Heart (murmur) 4	
Orthopedic 3	Under treatment
Speech defect 3	Under treatment

Dr. Crowell treated 17 children at the dental clinic. The Lindsay Fund of the A. R. C. supported this clinic.

The Lions Club provided glasses for three pupils.

A stretcher was donated by Bud Carpenter.

A Sterneedle Tuberculosis testing program was conducted in the Plymouth schools in March. Dr. William Price gave the tests to 727 children. He was assisted by Dr. McIver, local nurses and Mrs. Lois Reed, R.N., of the N. H. Dept. of Health. A total of 27 reactors were contacted by Mrs. Reed following this clinic.

JOSEPHINE B. LARGENT,
District Treasurer

Plymouth, New Hampshire, July 13, 1961

We have today examined the foregoing account, the books of Josephine B. Largent, Treasurer of the Plymouth Town School District, and found them correctly cast and properly vouched. We have this day destroyed bonds and interest coupons presented for payment to the District, as follows:

10 Plymouth School District Bonds @ \$1,000.00 each, Nos. 11-20 totaling \$10,000. We also destroyed 120 coupons @ \$15.00 each, due 9-1-60 totaling \$1,800.00 and 110 coupons @ \$15.00 each, due 3-1-61 totaling \$1,650.00. We destroyed the \$12,000 note with the Pemigewasset National Bank which was paid off.
